Wish You Were There...

Joy Bush, Area Director in Hawaii, tells us about the Oct. 2, 2010 Conference hosted by Kaneohe Congregational Church.

"Conference day arrived bright and sunny, (it had been raining the day before). All the last minute details we usually fret over came together just so beautifully ... it only had to be the Lord's doing. How we praise Him for much blessings that day. It was by far the most well attended conference we've had in almost 6 years, 115 (women) not counting all the men, teens and children of the host church working together to make it all happen.

Getting to know our CPD Treasurer, Karen Bates

My name is Karen Bates. I have been a Christian for 32 years. Having been brought up Catholic, I came to the Lord in a Baptist Church in Stockton, California. Our family attended there for 20+ years. We came to Stockton Alliance 2 1/2 years ago, and fell in love with the multi-cultural congregation here.

I am excited to serve as treasurer for Alliance Women. I look forward to participating in the growth of the women in our church and look forward to being more involved in the missions activities of the church. I both love and admire those who have answered the call to go to the mission field, and am delighted to be a part of this ministry.

PRAISES!! PRAISES!!

We want to praise God for successful Area Rally of the Sierra Cascade Alliance Women held last October 02, 2010 at Paradise Alliance Church, under the Leadership of Betty Abrams.

We also want to praise God for the Hawaii Area Rally last October 02, 2010. According to Joy Bush, Area Director, "it was well attended."

If you want to share your praises with us, please email Rhea Pacheco at rhea.cpdaw@gmail.com.

Some of you have been asking where to mail your financial giving. Please mail them to:
